## FULL WAIVER & DISCLOSURE

READ BEFORE YOU RIDE - THIS IS YOUR WARNING

### INHERENT RISK

Throttle Therapy Nation (TTN) guided rides, trail runs, and group events are raw, unpredictable, and inherently dangerous. Off-road terrain can involve rollovers, collisions with obstacles or other riders, mechanical failures, environmental hazards (mud, rocks, cliffs, water crossings, wildlife, weather), and the risk of serious injury, permanent disability, or death.

By participating, you agree that **you alone** are responsible for your decisions, behavior, equipment, passengers, and personal risk.

### RELEASE OF LIABILITY

By joining any TTN ride or event, you voluntarily release, waive, and discharge **Bentley GOALS Offroad: Throttle Therapy Nation**, its owners, organizers, volunteers, sponsors, representatives, and affiliates from any and all claims, demands, damages, injuries, losses, or liabilities arising out of or related to your participation — including those caused by negligence.

This includes, but is not limited to:

- Personal injury or death
- Property damage or loss
- Mechanical failures or breakdowns
- Trail, weather, or environmental conditions
- Actions of other riders, drivers, or participants

### VEHICLE & SAFETY RESPONSIBILITY

You confirm that:

- Your vehicle is in safe operating condition and has been inspected by you before the ride.
- You understand proper trail etiquette and safe riding practices.
- You are solely responsible for your vehicle, your passengers, your gear, and your riding decisions.

TTN does not guarantee trail conditions, weather conditions, or the behavior of any other rider or participant.

### MEDICAL DISCLAIMER

You confirm that you are physically and mentally capable of participating in off-road riding and related activities. You understand that TTN does not provide medical advice, treatment, or supervision, and that emergency services may be delayed, limited, or unavailable in remote areas.

### PHOTO & VIDEO RELEASE

If you opted in on the registration form, you grant TTN the irrevocable right to capture and use photos, video, and media of you during rides and events for marketing, social media, websites, and promotional materials, without expectation of compensation or prior approval.

If you did not opt in, TTN will make reasonable efforts not to deliberately feature you in focused promotional content, but you acknowledge that incidental appearance in group or background footage may still occur.

### INDEMNIFICATION

You agree to indemnify and hold harmless Throttle Therapy Nation from any and all claims, damages, legal actions, costs, or liabilities arising out of:

- Your actions or decisions
- Your negligence or rule violations
- Injuries or damages you cause to yourself, other participants, or third parties

### MINORS

If you are registering a minor, you confirm that you are their parent or legal guardian and consent to their participation. You accept full legal responsibility and all associated risks on their behalf.

### FINAL AGREEMENT

By checking the agreement box and signing the registration form above, you confirm that:

- You have read and fully understand this waiver and disclosure.
- You voluntarily agree to be legally bound by its terms.
- You accept all risks associated with participating in any TTN ride or event.

Your signature is your word. **Ride smart. Ride aware. Ride free.**
